## Understanding, Healing, and Moving Forward Community Discussion

I have been overwhelmed by the loss of life this country has experienced recently.

This has been an especially hard time for me, because I am a black woman in America and a former police officer. Because of my life experience, I understand both sides of the issues. So, I mourn for the loss of black victims, and I also mourn the loss of police officers.

Last night's discussion was difficult, but it was absolutely necessary. I represent a community that feels harassed by the police, a community who does not feel that the police protect and serve.

I want to thank everyone who was there last night. The discussion was a start, but the dialogue is not over, I will continue to listen to, and respect the opinions and solutions of my communities.
